Apply for TechBoost Today!

Step 1:

Collect and scan or take a picture of the following documents*:

- Driver's license or other state/federal issued ID
- Social security card
- Proof of veteran's preference, if applicable (e.g., DD- 214)
- Resume (although not required, it may assist in determining eligibility)

*Because TechBoost is a federally funded program, age and eligibility to work in the U.S. must be verified and documented. If you are missing anything listed above or need help, please [contact us](#) for further assistance as you will need these documents readily available to upload in Step 2.

Step 2:

Register on TechBoost's secure Online Application System* by scanning the **QR code below** or [click here](#) to complete the TechBoost Application.

You will need to upload the documents identified in Step 1 below your contact information on the screen (as shown here) to complete the application.

A screenshot of a web application form. A red L-shaped arrow points from the left towards the form. The form has several sections: 'Home Phone' and 'Cell Phone' at the top, each with an input field. Below that is a 'Document Attachment' section with a 'Document Attachment' label and a file selection area showing 'No File Selected' and a paperclip icon. At the bottom is an 'Additional Information' section.

*TechBoost is funded by a grant awarded by the U.S. Department of Labor. Your personal information is kept confidential and secure and will not be shared with any outside agencies other than those involved with the support and oversight of this grant.

Step 3

Click "SAVE" on the upper-left corner of your screen.
