Looking for a career in Information Technology?

TechBoost is a national program that provides comprehensive workforce strategies to prepare the workforce for middle- to high-skilled occupations within the information technology industry.

TechBoost can help you achieve your employment goals by providing career and training services, including support of classroom-based courses, virtual and distance learning, paid internships, on-the-job training, and more to prepare you for employment in IT or IT related occupations.

TECHBOOST WILL:

- ✓ Finance tuition costs for classroom or online training programs

- ✓ Support costs for courses, books, supplies, tools, certification prep and exams

- ✓ Provide individuals PAID internships

Get trained and earn industry certifications such as:

- A+ certification

- Network /System administrator certification

- Cyber and network security certification

- Programming/software development certification

- …and much more!!!

For more information, visit us at TechBoostClark.com

TechBoost and GuilfordWorks are excited to serve you in meeting your training & employment goals!

TECHBOOST

Apply for TechBoost Today!

Step 1:

Collect and scan or take a picture of the following documents*:

- Driver's license or other state/federal issued ID
- Social security card
- Proof of veteran's preference, if applicable (e.g., DD- 214)
- Resume (although not required, it may assist in determining eligibility)

*Because TechBoost is a federally funded program, age and eligibility to work in the US must be verified and documented. If you are missing anything listed above or need help, please contact us for further assistance as you will need to have these documents readily available to upload in Step 2.

Step 2:

Register on TechBoost's secure Online Application System* by scanning the **QR code below or click here** to complete the TechBoost Application.

You will need to upload the documents identified in Step 1 below your contact information on the screen (as shown here) to complete the application.

*TechBoost is funded by a grant awarded by the U.S. Department of Labor. Your personal information is kept confidential and secure and will not be shared with any outside agencies other than those involved with the support or oversight of the grant.

Step 3

Click "SAVE" on the upper-left corner of your screen.
