TechBoost has teamed up with iQ4 Corporation and its Cybersecurity Workforce Alliance (CWA) to offer eligible individuals training in the fundamentals of cybersecurity.

The Threat Within Epic Challenge course is now available at NO COST to you.

Participants will:

✓ Learn NIST Fundamentals of Cybersecurity

✓ Gain 350-hours of simulated workplace experience

✓ Earn a CWA industry recognized credential and certificate

✓ Network and receive mentorship from Cybersecurity and IT professionals

✓ Receive a digital Learning Employment Record (LER) "wallet" that showcases your portfolio, skills, experiences, and earned credentials

The Threat Within Epic Challenge course is <u>12 weeks</u> in duration and delivered in a virtual format. Participants should plan to invest 5 hours per week toward training:

▪ 1 hour per week – live interaction with mentors via videoconferencing

▪ 2 hours per week –course work

▪ 2 hours per week – virtual team project work

TechBoost and iQ4 are excited to serve you in meeting your training & employment goals!

Apply for TechBoost Today!

Step 1:

Collect and scan or take a picture of the following documents*:

- Driver's license or other state/federal issued ID
- Social security card
- Proof of veteran's preference, if applicable (e.g., DD- 214)
- Resume (although not required, it may assist in determining eligibility)

*Because TQA is a federally funded program, age and eligibility to work in the US must be verified and documented. If you are missing anything listed above or need help, please contact us for further assistance as you will need to have these documents readily available to upload in Step 2.

Step 2:

Register on TQA's secure Online Application System* by scanning the **QR code below or click here** to complete the TechBoost Application.

You will need to upload the documents identified in Step 1 below your contact information on the screen (as shown here) to complete the application.

*TechBoost is funded by a grant awarded by the U.S. Department of Labor. Your personal information is kept confidential and secure and will not be shared with any outside agencies other than those involved with the support or oversight of the grant.

Step 3

Click "SAVE" on the upper-left corner of your screen.
